MUCH GOOD ACCOMPLISHED
By Barre Branch of the American Red Cross.

At the annual meeting of the Barre branch of the Red Cross, held this week, interesting reports were given by the chairmen of the various departments of the work, which showed that Barre and the surrounding towns whose work is grouped with ours have not been behind in doing their bit.

The by-laws recommended by the national association were voted on and it was decided to amend the present by-laws, so that the annual meeting shall be held on the third Wednesday of October, instead of the fourth Wednesday. Four members were placed on the executive committee in addition to the ex-officio members. Mrs. D. J. Morse, Mrs. F. E. Robinson, Mrs. F. W. Robinson and Miss Evelyn Phelps were appointed a nominating committee to appoint members for the executive committee, to report at a meeting to be held the first Wednesday in November.

The resignation of Mrs. R. Q. McDonald as treasurer was read and accepted, and the meeting was adjourned until the first Wednesday in November.

The reports of the committees were very interesting. Through the home service department 150 men or their families have been reached and about 200 calls have been made by the members of that section and visitors. The financial assistance given amounts to \$944.65, a large part of this having been made as a loan, which will eventually be returned.

A record of the deaths of Barre's men in service is being kept by this department, which is also endeavoring to secure a complete list of the men who have enlisted or been drafted from Barre. Preparations are being made for co-operation with the government plans for returned disabled soldiers.

The work of the home service section is divided into two parts, that of giving information regarding allotments, allowances and insurance of men going into service and their families, also giving information to families of men in service, obtained through the bureau of communication in Washington, D. C., and bureau of prisoners' relief, and rendering services of many kinds, including assistance in case of delayed allotments and other emergencies.

Miss Evelyn Z. Phelps is chairman of the home service section.

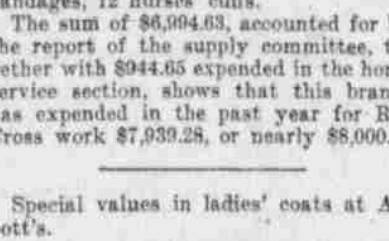

The report of the supply committee was given by Mrs. George Bond, the following sums having been paid out along the lines named: For sewing material, \$1,613.49; knitting, \$4,583.69; surgical dressings, \$425.14; comfort kits, \$205.44; express, \$85.22; junior work, \$43.65.

Mrs. F. W. Robinson, chairman of the sewing section, reported for Barre City, Graniteville, Websterville, East Barre, South Barre and Washington, the following articles completed during the year: 420 suits pajamas, 518 surgical shirts, 132 convalescent gowns, 290 aprons, 176 pairs men's undershirts, 382 kits, 9 shoulder wraps, 6 girls' undershirts, 5 girls' nightgowns, 50 boys' suits, 20 chemises, 20 boys' undershirts, 190 trench slippers, 150 comfort bags, 50 property bags, 1 pair girl's bloomers, 210 pillows, 106 napkins, 22 tray cloths, 27 quilts, 212 Christmas bags. Fourteen suits of pajamas were given to boys in service.

The report of the knitting committee was given by the chairman, Mrs. S. N. Parker, which indicates that much home work has been done by those affiliated with the Barre branch. The following articles were completed in the past year: 1,252 sweaters, 443 helmets, 2,500 pairs socks, 99 scarfs, 617 pairs wristlets, 17 pairs hospital socks, 29 sleeping caps, 3 pairs mittens, 4 pairs earflaps, 11 afghans, 32 sponges, 81 eye bandages, 83 wash cloths, 28 nurses' mitts, 19 three-yard bandages, 12 nurses' cuffs.

The sum of \$6,904.63, accounted for by the report of the supply committee, together with \$944.65 expended in the home service section, shows that this branch has expended in the past year for Red Cross work \$7,849.28, or nearly \$8,000.

School was dismissed for the rest of the day and when night came very few people slept as a series of slight shocks were felt from time to time. No damage was done nearby.
